We understand that parents have a busy schedule going to work, picking the kids up from daycare, and getting dinner ready fast enough to run right back out the door for evening activities. Not to mention that the kids homework still needs to be completed. Unfortunately all this rushing around doesn't leave much room for family time.

TEACHING FOCUS

Perrins Martial Arts After School Pick Up is ideal for parents who are looking for a constructive alternative to daycare, babysitting or latchkey.

After school hours are an important part of your child's development and if spent without supervision can lead to adverse or unproductive behavior.

Through a structured curriculum and built in reward system, Martial Arts provides a platform for kids to learn and develop confidence, respect, discipline, focus, and self esteem.

INCLUDED

- Pick up from school
- Daily martial arts class
- Lessons on keeping safe, dealing with Bullying, street awareness, and general self-defense
- Time for snack and homework

FOOD

We DO NOT provide snacks. Please supply a nut free, healthy snack for your child, labeled "afterschool".

Please pack a reusable water bottle, clearly labelled with your child's name.
